The details of average fair value and average liquidation value are as depicted in the following table:-

S. No	Description	Rs. in Crs
-------	-------------	------------

- x. It is observed from the above table that as against the liquidation value of the assets and properties of the Corporate Debtor arrived at Rs. 38.69 Crores, the successful RA has undertaken in the resolution plan to accept and discharge the following liabilities:-

S. No	Nature of stakeholders	Rs. (in Crs)
1	CIRP Costs	0.60
2	Operational Creditors	0.25
3	Employees	0.01
4	Financial Creditors	101.50
	<b>Total</b>	<b>102.36</b>

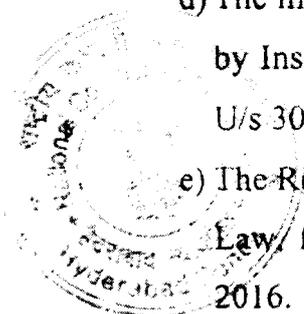

- y. Reiterating the above, counsel for the Applicant prayed to allow the instant Application as sought for.
3. Heard and perused the record.
  4. First of all, we need to examine whether the Resolution Plan was approved by the CoC within time, as the RP has sought condonation of delay of 14 days in submitting the instant application.
  5. In the instant case CIRP was initiated on 20.06.2019 and the original period of 180 days was completed on 17.12.2019. This Adjudicating Authority granted further extension of 90 days and subsequently allowed to complete the CIRP in 330 days, which would have been completed on 15.05.2020. However, due to introduction of Regulation 40C, time lost during Covid-19 Pandemic Lockdown period is not to be counted. The said period is deemed to be w.e.f 25.03.2020 and upto 31.08.2020. Thus the CIRP deemed to be extended for a period of 54 days (25.03.2020 to 15.05.2020) w.e.f. 01.09.2020 and up to 24.10.2020. The Resolution Plan was approved by CoC on 15.09.2020 in their 24th Meeting. The instant IA was filed on 25.09.2020.
  6. Section 30(2) of the Code as amended w.e.f. 06.08.2019 enjoins upon the resolution professional to examine each resolution plan received by him to confirm that such plan --

- a) Provides for the payment of insolvency resolution process costs in a manner specified by the Board in priority to the payment of other debts of the corporate debtor;
- b) Provides for the payment of debts of operational creditors in such manner as may be specified by the Board which shall not be less than-
  - i. The amount to be paid to such creditors in the event of a liquidation of the corporate debtor under section 53; or
  - ii. The amount that would have been paid to such creditors, if the amount to be distributed under the resolution plan had been distributed in accordance with the order of priority in sub-section (1) of section 53, whichever is higher, and provides for the payment of debts of financial creditors, who do not vote in favour of the resolution plan, in such manner as may be specified by the Board, which shall not be less than the amount to be paid to such creditors in accordance with sub-section (1) of section 53 in the event of a liquidation of the Corporate Debtor.
- c) Provides for the management of the affairs of the Corporate debtor after approval of the resolution plan;
- d) Provides for the implementation and supervision of the resolution plan;
- e) Does not contravene any of the provisions of the law for the time being in force, and
- f) Confirms to such other requirements as may be specified by the Board.

7. Section 30(4) of the Code as it stands at present after the amendment reads as follows: -

*"(4) The committee of creditors may approve a resolution plan by a vote of not less than sixty-six percent. of voting share of the financial creditors, after considering its feasibility and viability, the manner of distribution proposed, which may take into account the order of priority amongst creditors as laid down in sub-section (1) of section 53, including the priority and value of the*

8. Section 30(6) of the Code enjoins the resolution professional to submit the resolution plan as approved by the committee of creditors to the Adjudicating Authority. Section 31 of the Code deals with the approval of the resolution plan by the Adjudicating Authority, if it is satisfied that the resolution plan as approved by the committee of creditors under section 30(4) meets the requirements as referred to in section 30(2).
9. Thus, before approving the Resolution plan, it is the duty of the Adjudicating Authority that it should satisfy itself that the Resolution plan as approved by the COC meets the requirements as referred to in sub-section (2) of Section 30.
10. On perusal of the Resolution Plan, this Adjudicating Authority has observed that the Resolution plan placed for consideration provides for the following:
  - a) Payment of CIRP Cost as specified U/s 30(2)(a) of IBC, 2016.
  - b) Repayment of Debts of Operational Creditors as specified U/s 30(2)(b) of IBC, 2016.
  - c) Provides for management of the affairs of the Corporate Debtor, after the approval of Resolution Plan, as specified U/s 30(2)(c) of IBC, 2016.
  - d) The implementation and supervision of Resolution Plan shall be done by Insolvency Resolution Professional and by the COC as specified U/s 30(2)(d) of IBC, 2016.
  - e) The Resolution Plan is not in contravention to any of the provisions of Law for the time being in force, as specified U/s 30(2)(e) of IBC, 2016.
  - f) The Resolution plan conforms to such other requirements specified by the Board.
11. In terms of Regulation 27 of CIRP Regulations, Liquidation value as well as Fair Value was ascertained through two registered valuers, and the Resolution Plan offers not only more than the average liquidation value but also more than the average Fair Value of the Corporate Debtor .

12. The RP has complied with the code in terms of Section 30(2)(a) to 30(2)(f) and Regulations 38(1), 38(1)(a), 38(2)(a), 38(2)(b), 38(2)(c) & 38(3) of CIRP regulations.
13. The identity of the Resolution Applicants have been duly verified by the RP and affidavit as per section 30(1) of the Code has been obtained from the Resolution Applicants stating that they are not ineligible U/s 29A of the IB Code, 2016.
14. The Plan also provides for keeping the Company as a going concern and operate in its normal course of business upon implementation of Resolution Plan. There is no objection filed by any other person in this regard.
15. Copy of Form-H (Compliance Certificate) filed by the RP along with the Plan has been perused and considered. The RP inter-alia has certified as under:
  - i. *"The said Resolution Plan complies with all the provisions of the Insolvency and Bankruptcy Code 2016 (Code), the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 (CIRP Regulations) and does not contravene any of the provisions of the law for the time being in force.*
  - ii. *The Resolution Applicant M/s. Triterras Holdings Pte Limited along with Invent Assets Securitisation and Reconstruction Private limited has submitted an affidavit pursuant to section 30(1) of the Code confirming its eligibility under section 29A of the Code to submit resolution plan. The contents of the said affidavit are in order.*
  - iii. *The said Resolution Plan has been approved by the CoC in accordance with the provisions of the Code and the CIRP Regulations made thereunder. The Resolution Plan has been approved by 80.64 % of voting share of financial creditors after considering its feasibility and viability and other requirements specified by the CIRP Regulations.*
  - iv. *I sought vote of members of the CoC by electronic voting system which was kept open from 21/09/2020 from 4 PM – 22/09/2020 till 7 PM for at least for 24hours as per the regulation 26."*
16. The Resolution Plan includes a statement under regulation 38(1A) of the CIRP Regulations as to how it has dealt with the interest of the stakeholders in compliance with the Code and Regulations thereunder.

17. It is also evident that the Resolution Plan placed before this Adjudicating Authority, was approved by the Committee of Creditors in its 24<sup>th</sup> CoC meeting dated 15.09.2020 with 80.64% votes cast in favour of Approval of Resolution Plan.
18. In K Sashidhar Vs. Indian Overseas Bank & Others, decided on 05.02.2019 in Civil Appeal No.10673/2018 with CA Nos.10719/2018, 10971/ 2018 and SLP(C) No.29181/2018, the Hon'ble Supreme Court, noticing the provisions of section 30(4), held that if the CoC had approved the resolution plan by requisite percent of voting share, then as per section 30(6) of the Code, it is imperative for the resolution professional to submit the same to the adjudicating authority (NCLT). On receipt of such a proposal, the adjudicating authority (NCLT) is required to satisfy itself that the resolution plan as approved by CoC meets the requirements specified in Section 30(2). No more and no less.
19. In the said judgment, in para 35, the Hon'ble Supreme Court held that the discretion of the adjudicating authority is circumscribed by Section 31 and is limited to scrutiny of the resolution plan "as approved" by the requisite percent of voting share of financial creditors. Even in that enquiry, the grounds on which the adjudicating authority can reject the resolution plan is in reference to matters specified in Section 30(2) when the resolution plan does not conform to the stated requirements.
20. In view of the discussions in the foregoing paragraphs, the 'Resolution Plan' filed with the Application meets the requirements of Section 30(2) of the I&B Code, 2016 and Regulations 37, 38, 38(1A) and 39 (4) of IBBI (CIRP) Regulations, 2016. The 'Resolution Plan' is also not in contravention of any of the provisions of Section 29A. Hence, this Adjudicating Authority is satisfied that the Resolution Plan is in accordance with Law. Therefore, the 'Resolution Plan' annexed with Application bearing IA No. 868 of 2020 filed in CP(IB)No. 186/9/HDB/2019 is hereby approved, which forms part of this Order and which shall be binding on the corporate debtor and its employees,

Government or any local authority to whom a debt in respect of the payment of dues arising under any law for the time being in force, such as authorities to whom statutory dues are owed, guarantors and other stakeholders involved in the resolution plan.

21. Counsel for RP filed a memo dated 09.11.2020 and 24.11.2020, enclosing proof of service of notices sent to the Principal Commissioner of Income Tax through email and through speed post. However, there was no representation on their behalf. Section 79 of the Income Tax Act, 1961 provides that carry forward and set off of losses in a closely held company shall be allowed only if there is a continuity in the beneficial owner of the shares carrying not less than 51 % of the voting power, on the last day of the year or years in which the loss was incurred. However, clause (c) of sub-section (2) to the said section provides that nothing contained in this section shall apply to a company where a change in the shareholding takes place in a previous year pursuant to a resolution plan approved under the Insolvency and Bankruptcy Code, 2016, after affording a reasonable opportunity of being heard to the jurisdictional Principal Commissioner or Commissioner. In the instant case, notices were served to the Principal Commissioner of Income Tax through email and through speed post, but there has been no response. We, therefore, hereby direct that in terms of Section 79(2)(c) of the Income Tax Act, 1961, assessed tax losses of the Corporate Debtor shall be allowed to be carried forward as per provisions of law. However, the Resolution Plan approved shall not construe any waiver to any statutory obligations/liabilities arising out of the approved Resolution Plan and same shall be dealt in accordance with the appropriate Authorities as per relevant Laws. This Adjudicating Authority is of the considered view that if any waiver is sought in the Resolution Plan, the same shall be subject to approval by the concerned Authorities. The same view has also been held by Hon'ble Principal Bench, NCLT in the case of Parveen Bansal Vs. Amit Spinning Industries Ltd. in CA No.360 (PB) 2018 in CP

23. Accordingly, the MoA and AoA shall be amended and filed with the RoC for information and record as prescribed. While approving the 'Resolution Plan', as mentioned above, it is clarified that the Resolution Applicant shall pursuant to the Resolution Plan approved under Sub-Section (1) of Section 31 of the I&B Code, 2016, obtain all the necessary approvals as may be required under any law for the time being in force within the period as provided for in such law.
24. This Adjudicating Authority orders for the constitution of Monitoring Committee consisting of Mr. Ramakrishnan Sadasivan, RP, two members of CoC and two representatives nominated by the Resolution Applicants to supervise the implementation of the Resolution Plan and further Resolution Professional is directed to file status of implementation of Resolution Plan before this Adjudicating Authority from time to time.
25. The order of moratorium passed by this Adjudicating Authority under Section 14 of I&B Code, 2016 shall cease to have effect from the date of passing of this Order.
26. The approved 'Resolution Plan' shall become effective from the date of passing of this Order.
27. The Resolution Professional shall forward all record relating to the conduct of the CIRP and the 'Resolution Plan' to the IBBI along with Copy of this Order, so that the Board may record the same on its data-base.
28. The Resolution Professional shall forthwith send a copy of this Order to the participants and the Resolution Applicant.
29. Accordingly, IA No. 868 of 2020 is disposed of as allowed.
